#### **IV. ELECTION REGARDING COMPLETION OF SECTION V: FINANCIAL INFORMATION**

PLEASE READ CAREFULLY

Applicants and their parents may elect to complete or to not complete Section V: Financial Information. Not completing Section V: Financial Information will result in an applicant receiving no consideration for the highest priority criterion (financial need). The application will be considered for scholarships based on the other criteria as stated in the cover sheet. We encourage you to complete Section V: Financial Information, even if you feel your family is unlikely to qualify for a scholarship based on financial need. Completing this section may enhance your likelihood of receiving a scholarship. However, completion of the financial section is not required and, unlike in past years, failure to do so will not disqualify you from consideration.
